FORCEPS

ABOUT US

Established in 2006, Smith Instruments is becoming a leading company engaged in supply of high-quality Electrosurgical Accessories to premiere quality conscious customers across the globe.

Made with high quality stainless steels and coated with special unbreakable and non-toxic Nylon material. Our fine instruments are crafted for precision and durability produced under ISO-13485 and CE Directive 93/42/EEC certificates. Product management, customer support and production planning are closely linked at Smith Instruments to allow a rapid and effective responsiveness to customers' needs.

Highly innovative products with competitive prices and prompt deliveries characterize Electro Bismed Instruments as a reliable and forward-looking supplier. With the continuing support, determination and enthusiasm of its highly trained staff, Smith Instruments faces the future with confidence.
